Winter Weather

With the colder months coming, the threat of snow and ice increases. Our area has already seen a significant winter weather event this season. Duenweg Public Works did a great job at keeping the roads clear and safe. A big part of this was thanks to the consideration of our residents in keeping the roads cleared. Please remember that moving vehicles or other items such as basketball goals from along the roadway helps our guys perform their job to the fullest extent.

We will also be closed Monday, December 31st and Tuesday, January 1st in observance of the New Year. There is a payment drop box located on the front of City Hall for your convenience. Fire Department...

If you have a fireplace please take the time to clean out the flue/chimney. As the season continues you will need to maintain your flue/chimney by keeping it clean. The use of space heaters or other heating methods during this time can result in serious injuries or fire. Please make sure you do not use them near or around items in your house such as bedding, furniture, etc. Make sure they are in an area where they cannot be knocked over easily. Also, do not heat with gas ovens or burners as this can be a very dangerous situation.

The Duenweg & the area Firefighters are accepting any unopened toys or monetary donations for Christmas for Kids toy drive. There are boxes at the Duenweg Dollar Store, Duenweg Fire Station, any help will be greatly appreciated.
