Voter Registration

Every April, voters have the opportunity to vote in the general municipal elections. These elections are when residents have the opportunity to vote for their local government. The general municipal election this year will be held on April 3, 2018. Around this time of year we often receive questions about registering to vote. The deadline for registering to vote in order to be able to vote in the April 2018 election is March 7, 2018. Once you have registered you may then vote in other elections as well. Deadlines for other election dates can be found on Missouri Secretary of State website at www.sos.mo.gov/elections. Voter registration forms that you can print off at home and mail are available on the site as well. We also have forms at City Hall that we can assist you with filling out and we can mail for you. Voting is a great way for your voice to be heard and we want all residents to have this opportunity. Another great way to voice your concerns or desires for Duenweg is to attend the monthly Board of Aldermen meetings. These occur on the fourth Thursday of every month (unless there is a holiday), and public notices of dates are at City Hall and on the public notice board outside of the Municipal Building.

Presidents' Day

The holiday we now observe known as Presidents' Day started in 1800 and was observed on February 22, George Washington's birthday. This federal holiday came into being one year after Washington's death in 1799. In 1971, the Uniform Holiday Monday Act was enacted. This moved federally mandated holidays, such as honoring Washington's birthday, to Mondays in order to create three day weekends for federal employees and streamline workweeks that included these holidays. Since the date was no longer on Washington's birthday every year, we began celebrating all presidents past and present on that day.
