### SPECIAL NOTICE....

**The Public Works Department would like you to know that if you have issues with City Utilities after hours, please call 417-623-2263 so the proper authorities can be notified.**

### EMERGENCY MANAGEMENT DEPARTMENT

With storm season upon us I wanted to take a moment to inform every one of the cities policies on warning sirens. Our sirens are for outdoor warning. If you are indoors you need to rely on television or a NOAA weather radio. The sirens will sound when a tornado warning is received for our portion of our county or surrounding counties or when winds speeds reach 70 MPH or higher. We will not issue an all clear.

**The city residents have access to the storm shelter owned by the Joplin School District, located at 801 S Irwin. The fire station is not a shelter.** If you go to the fire station you will be sent to the shelter at the school. The shelter will be opened when severe weather approaches our area. The school district has a policy that any animal in the shelter must be in a cage or carrier. This is for everyone's safety. If you have any questions or concerns please let us know. Let's all work together to make this a safe season for all.
