HAPPY NEW YEAR!

WINTER WEATHER

With the colder months coming, the threat of snow and ice increases. Our area has already seen a significant winter weather event this season. Duenweg Public Works did a great job at keeping the roads clear and safe. A big part of this was thanks to the consideration of our residents in keeping the roads cleared. Please remember that moving vehicles or other items such as basketball goals from along the roadway helps our guys perform their job to the fullest extent.
