Lending Library

Not your traditional books for checkout, but we have them. Come take a look and start your Spring season off with a BLOOM!

We have several *Backyard Living* magazines that offer a variety of tips and planting FAQ's for the beginner as well as the seasoned gardener. A sure way to get you in the mood for Spring, (as if we aren't already), the ideas depicted will make your yard a statement piece!

Flowers, vegetables and plants that attract our feathered friends will brighten anyone's day!

Speaking of spring and since the 17th is St. Patrick's Day, it is the perfect time to look for 4 leaf clovers. Are you feeling lucky? A 2017 survey of approximately 5.7 million clovers in six European countries found the frequency of 4-leaf clovers to be around 5000 to 1 (one 4-leaf clover for every 5076 normal 3-leaf clovers), almost twice the commonly stated probability of 10,000 to 1. According to this survey, the frequency of a 5-leaf clover is 24,390 to 1, and that of a 6-leaf clover is 312,500 to 1.^[3]

If you find any, seal them between two sheets of clear contact paper to enjoy for years to come!

Storm Sirens —

Just a reminder, we will continue to test the storm sirens on the **second Wednesday of the month at 10:00 a.m.**

SPECIAL NOTICE....

The Public Works Department would like you to know that if you have issues with City Utilities after hours, please call 417-623-2263 so the proper authorities can be notified.

EMERGENCY MANAGEMENT DEPARTMENT

With storm season upon us I wanted to take a moment to inform everyone of the city's policies on warning sirens. Our sirens are for outdoor warning. If you are indoors you need to rely on television or a NOAA weather radio. The sirens will sound when a tornado warning is received for our portion of our county or surrounding counties or when winds speeds reach 70 MPH or higher. We will not issue an all clear.

The city residents have access to the storm shelter owned by the Joplin School District, located at 801 S Irwin. The fire station is not a shelter. If you go to the fire station you will be sent to the shelter at the school. The shelter will be opened when severe weather approaches our area. The school district has a policy that any animal in the shelter must be in a cage or carrier. This is for everyone's safety. If you have any questions or concerns, please let us know.

City Water Bill Payments are Due Upon Receipt

Bills can be paid online through the City's web site, in person at City Hall or placed in either drop box. Beginning on the 21st of each month, or on the Monday following that date if it falls on a weekend, a late charge of 10% is applied. If the past due amounts are not paid by the 25th of the same month at 8:00 AM, then your water service will be discontinued on the 25th or the next business day if it is on a weekend or holiday. There is a reconnect fee of \$25.00 if your water is turned off for non-payment. If you have any
