Duenweg Citizen Spotlight

Long time resident Barbara Wolfe, along with her daughter and son-in-law, Becky and Jack Walling , traveled overseas in 2016 to visit the Orient. Barbara, who was 85 years young at the time, laughed at the thought of making the trip when Becky first presented the idea to her, but after a few days, decided she was going to take the trip with Becky and Jack. After months of planning, which included medical visits, obtaining passports, making sure they had everything they needed for travel and their stay abroad, October 9th, 2016 finally arrived and they began their journey abroad. They started with a layover on Dallas, Texas, where they were able to spend the night with Barbara’s daughter, Cindy. On October 11th, the trio flew to Seattle, Washington where they stayed for a few days. While in Seattle, they visited several city areas including the Pike Place Market and Mt. Rainier. They also stayed at the Hobo Inn, which is a hotel made of train cabooses. On October 14th, the time had finally arrived for the 12 hour flight to Beijing, China.

****Make sure to read the December 2021 edition of the Wigmo to learn more about the exciting overseas trip by Barbara Wolfe and the Walling Family.**

EMERGENCY MANAGEMENT DEPARTMENT

With storm season upon us I wanted to take a moment to inform every one of the cities policies on warning sirens. Our sirens are for outdoor warning. If you are indoors you need to rely on television or a NOAA weather radio. The sirens will sound when a tornado warning is received for our portion of our county or surrounding counties or when winds speeds reach 70 MPH or higher. We will not issue an all clear.

The city residents have access to the storm shelter owned by the Joplin School District, located at 801 S Irwin. The fire station is not a shelter. If you go to the fire station you will be sent to the shelter at the school. The shelter will be opened when severe weather approaches our area. The school district has a policy that any animal in the shelter must be in a cage or carrier. This is for everyone's safety. If you have any questions or concerns please let us know. Let's all work together to make this a safe season for all.
