## Faye Burton Hill is turning 100!!!

We all want to wish Faye a very happy 100<sup>th</sup> birthday!! Faye moved to Duenweg from Oklahoma when she was 11 years old and with the exception of living in Webb City for a short time she has been a Duenweg resident for, most likely, longer than anyone else as well as the oldest person living in Duenweg!

Faye married Frank Burton and they had only one son, Franklin Burton, Jr. From that small family tree rose five grandchildren, seven great grandchildren, six great, great grandchildren and two great, great, great grandchildren!!

Faye was active in the church for many years. She was able to drive until she was 95 years old! She has made quilts for many, many years for family and friends.

Faye still lives independently in her home with help from family and friends, what an amazing woman!

## PAPER-PAL BINS

Our paper-pal bins have been removed from the First Baptist Church parking lot. The church asked for the bins to be moved due to activities that are going to begin for the youth on their property.

When investigating the moving of the bins it was discovered that the company that owns them is going to start charging a monthly fee for each bin. This fee was considered to not be within the budget of the city, nor of good stewardship in the spending of YOUR tax dollars. However, we still have the cardboard recycling, large blue container, located by the Public Works Building located at 118 S. Prigmor.

We apologize for any inconvenience that this may cause with our community.
