LABOR DAY

The first Labor Day celebration was held by the Central Labor Union on September 5th, 1882.

It was created to recognize the ambition and dedication of the American workers. The United States Congress passed legislation in 1894 making Labor Day a legally recognized holiday. The original celebrations often included large parades and city wide festivities. Today, many celebrate it by smaller gatherings with family and friends.

This year, Labor Day falls on Monday, September 7th.

City Hall will be closed in observance.

Have a Fun Labor Day!
